The Square is very busy. Keep an eye on traffic!

Ability Guidebooks are step-by-step instructions on how to access community destinations. For many people with autism and neuro-diversity, new situations can cause stress and discomfort. Ability Guidebooks help prepare people for new experiences. This is why I emphasize the places to sit and areas to relax.

This book will also help general ed teachers prepare their young students for a visit to the Narva Triumphal Arch.

Can You Translate?
